

**FRIENDS CREEK CONSERVATION AREA
UPLAND GAME HUNTING FACT SHEET**

The Macon County Conservation District is pleased to provide this additional hunting opportunity for the residents of the state. The Friends Creek Conservation Area upland game hunting area was partially funded with revenue generated through the sale of the Illinois Pheasant Stamp and developed with the cooperation of the Illinois Department of Natural Resources. The area provides high quality permanent habitat for ring-necked pheasants and hunting opportunities for Illinois residents.

LOCATION: This area is approximately one (1) mile north and one (1) mile east of Argenta in northeastern Macon County. One and one quarter mile north of State Route 48 on Cemetery Road.

DESCRIPTION OF THE AREA:

Total Acres:	104	Huntable Acres:	104
Water Acres:	0	Timbered Acres:	10
Open Acres:	94		

The total area of the site is 104 acres. The entire area is open to hunting. Cover types include mesic prairie (13 acres), wet prairie/sedge meadow (5 acres), native cool season grasses (13 acres), prairie savanna (20 acres), and numerous hedge rows. There is also a significant amount of trees and shrubs along creek banks.
